About ABE

Our Mission

We aim to build trust, resilience and reassurance in global business interactions leading to greater equity within and between nations. Our mission is to empower people to transform their lives and communities through gaining high-quality business, leadership and entrepreneurial skills.

Our Vision

We believe in an open, inclusive, global market economy where everyone benefits from responsible globalisation and trade. We believe that this will create a safer and more prosperous future for all.

ABE Qualifications

Our qualifications are created and designed to respond to the changing demands of business, in the UK and internationally, the pan sector and specialist subject areas. They enable you, through the learning, to develop expertise in particular disciplines with an underpinning focus on business management, leadership and enterprise. They integrate the latest in professional standards and provide opportunities for learners to develop professional knowledge and transferable skills for their current and future careers, they are:

Professional	Our qualifications are designed to give you the knowledge and transferable skills you need to excel in your career journey.
Affordable	ABE is a not-for-profit organisation; as such we endeavour to keep costs to a minimum. Our fast-track routes to degrees are often much less expensive than traditional routes.
Recognised	In addition to respected regulatory authorities, our qualifications are recognised by colleges, universities, employers and governments globally.
Supported	As an ABE learner and centre, you can access resources designed to support your studies and enhance your learning experience.
International	For more than 50 years, learners around the world have been benefitting from ABE qualifications.
Proven	Our learners speak for themselves – see their testimonials on our website. They work in a diverse range of industries and organisations.
Flexible	You can study full time or part time at a pace that suits you. Our qualifications provide expertise in pan sector and specific subject areas which are underpinned by Business Management, Leadership and Enterprise.

Recognition

These ABE qualifications are accredited as part of the Regulated Qualifications Framework (RQF) by Ofqual, the qualifications regulator for England. Internationally ABE has agreements or recognition by regulatory authorities in other countries where we operate, full details can be located on our website.

Progression

ABE qualifications have been designed with progression in mind and, after completing one of our qualifications, learners can progress onto a higher level of study or employment.

ABE offers a full framework of qualifications that have been designed for learners to be able to progress from Level 2 to Level 6.

These qualifications do not have any pre-requisites, and learners are free to start on the Level that best suits where they are in their learning journey and the scope of the academic requirement in each qualification. ABE recommends following the learning of one qualification at a time, but this is not a requirement.

Who is it for?

These qualifications are for learners that are 16 and over. It could be offered to those in employment, higher education or for those wanting to enhance their Continuous Professional Development (CPD).

Entry guidance and criteria

There are no formal entry requirements to study ABE Level 4 Sustainability qualifications; however, there must be a reasonable expectation of success on the programme by assessing a learner's previous qualifications and/or related work experience.

It is a centre's responsibility to use professional and academic judgement when assisting learners in making the decision at which level they should enter ABE programmes.

In order to study successfully for an ABE qualification, you should have an appropriate level of English language skills (reading, writing, speaking and listening). For the ABE Level 4 qualifications, ABE recommends the following standards are met:

- IELTS - 6
- Cambridge ESOL - Cambridge English First- Cambridge English Advanced (points score 196 or above)
- Pearson Test of English Academic (PTE Academic) - 56
- Common European Framework of Reference (CEFR) - B2

Centres can use other English language tests as a measure of a learner's English language skills; but the centre must be satisfied that the score is equivalent to those recommended above.

Recognition of prior learning (RPL), accreditation of prior learning (APL), and exemptions

If a learner holds other qualifications from either another professional body or university which is similar in content and level the learner is registering for, they may qualify for RPL, APL or an exemption from some ABE units.

If learners would like to find out if they qualify for any exemptions before registering for an ABE qualification, please send a letter or an email to admissions@abeuk.com to request a copy of the ABE Exemptions Policy and application form.

A registered learner can find further information on the [ABE Portal](#).

The objectives of the ABE Level 4 Sustainability suite are to:-

- equip learners with knowledge and understanding of sustainability, in relation to workplace practices, and how this can be applied to support a sustainable working environment.
- provide opportunities for learners to enter or progress in employment or progress to higher education qualifications.
- provide opportunities for learners to develop the skills and techniques for successful career development.
- provide opportunities for learners to achieve a nationally recognised professional qualification.
- offer learners the chance of career progression in their chosen field.

Resources for the qualification

For each unit ABE will provide the following learning materials:

- Tutor Guides for centres. (This gives tutor-focused recommendations on how best to teach this syllabus.)
- Study Guides for learners.
- A list of Frequently Asked Questions.

Assessment

ABE's assessments are specifically designed to fit the purpose and objectives of the qualification. These qualifications are assessed by assignments, externally set by ABE. You can find out how each unit is assessed by checking the Unit Specification in this document, or the qualification tables above.

Assignment

ABE sets assignments in the form of an Assignment Brief. Sometimes a scenario and/or templates are provided as well. An organisation context is required. Learners can find the required word count for each assignment on the front of the Assignment Brief. For more information on assignments, please go to the questions and answers section of the ABE website.

Learners can submit assignments for these qualifications to ABE each month. For further details please visit the assessment section of the ABE website; <https://www.abeuk.com/assessments>.

All assignments submitted are marked by ABE. Results are usually released by ABE within eight weeks of submission.

For more information on results release, please consult ABE Website. Centres can find out more information about submitting assignments in the Centre Delivery Guide.

Marking and moderation

ABE has a broad and varied external academic team with a breadth of experience across the qualification areas and levels. Our external assessment team marks and is very familiar with ABE learners and the format of ABE exams and assignments. ABE has a very robust marking and moderation process: assessments are marked and standardised by our external team, after which they go through two phases of moderation. The results are presented to the Assessment Board for ratification, prior to publishing.

Additional examination requirements

There are no additional examination requirements for this qualification.

Reasonable adjustments and special considerations

ABE has taken steps in the development of this qualification to ensure that there are no unnecessary barriers to achievement. For learners with particular requirements reasonable adjustments may be made in order that they can have fair assessment and demonstrate attainment. There are also arrangements for special consideration for any learner suffering illness, injury or indisposition. Full details of the reasonable adjustments and special considerations policies are available from the ABE Portal.

Appeals and Enquiries About Results (EARs)

ABE has an appeals procedure that has been written in accordance with the regulatory arrangements in the Ofqual General Conditions of Recognition. Full details of this procedure, including how to make an application, are available on the [ABE Portal](#).

You can find further information relating to ABE assessment on the Exam Regulations section of the [ABE website](#).

Grading

To achieve an ABE qualification, you must demonstrate sufficient depth of study and acquisition of knowledge and skills expected for the qualification. You will need to demonstrate your achievement through the assessments set by ABE. On completion of your ABE qualification, you will be awarded an overall qualification grade based on your performance across all your unit assessments.

The following qualification grades are available:	Units will be assessed using the following grading scale:	
Grade	Grade	Boundary
Distinction	Distinction	70 - 100
Merit	Merit	55 - 69
Pass	Pass	40 - 54
Fail	Fail	0 - 39

Calculation of the qualification grade

The overall qualification grade will be calculated based on learner performance at unit level. Each unit carries a maximum of 100 points. The calculation of the overall qualification grade is based on the learner's performance in all units. All units in multi-unit qualifications must be attempted and contribute to your final grade. A minimum of Pass is required for all units to complete the qualification.
