This document lists formal progression agreements made for ABE’s RQF portfolio (launched in June 2017).

Please note, university programmes may change and this can invalidate a progression route if the content of the new programme is no longer similar to the mapped qualification. Admission to any degree course is at the university’s discretion.
Welcome!

This document details progression agreements for ABE’s outstanding RQF qualification portfolio, launched in June 2017.

Please note an agreement does not guarantee an offer of a place and all applications should be made directly to the university in question. University programmes are subject to regular review and this can affect the credits and exemptions offered if a programme is found to be no longer similar in content. Conversely, the credits ABE units carry, are widely recognised in the academic community and therefore in practice many other universities and institutes accept ABE qualifications against similar units.

To find the best ABE progression route for you please visit our website: www.abeuk.com/what-next/find-university
This document lists formal progression agreements made for ABE’s RQF portfolio (launched in June 2017).

Please note, university programmes may change and this can invalidate a progression route if the content of the new programme is no longer similar to the mapped qualification. Admission to any degree course is at the university’s discretion.

Applicants will be expected to have passed their ABE qualifications with grade C or above and should meet the University's standard English Language entry requirement.

Apply though the University’s usual admission procedure.
Ubiquity University

www.ubiquityuniversity.org

Distance learning

Business Management (inc. Financial Management, HRM, Marketing)

Level 5 & 6 Diplomas

Ubiquity University has developed a BA Capstone Completion programme designed to complement ABE Level 5 & 6 Diplomas.

Ubiquity offers low tuition fees and accepts all the course credits from ABE diplomas and then “completes” these courses with its BA degree programme. They also offer MBA, EMBA, and MSC degrees for those students interested.

Ubiquity is seeking to provide the Liberal Arts core competencies that you need to successfully navigate a world of increasing complexity. It is important that you have vocational training. This provides you with professional competencies. It is equally important that you learn leadership, critical thinking, innovation, creativity, and entrepreneurship. This provides you with skills that will enhance your perspective and give added meaning to your life.

Ubiquity provides learners with “dual qualifications” in which learners receive their ABE diploma and also receive a BA degree from Ubiquity for the online courses they take.

Ubiquity honours and accepts all the courses that learners are taking at ABE centres so the BA is in effect a completion degree, enabling you to receive both your ABE diploma and a BA degree.

Learners studying in person at local centres can work on their Ubiquity online courses in two ways: either simultaneously or sequentially. You can take the Ubiquity online courses while you are completing your studies at your local centres, or you can wait until you’ve finished your ABE course and take the BA Capstone Completion courses as ABE alumni. Learners can apply directly to Ubiquity but if you apply through your centre then your centre will receive a contribution from Ubiquity. It’s worth asking your centre to get in touch with Ubiquity.

For more information see http://ubiquity.university and http://www.ubiquity.courses
